

APORS RN/Family Case Manager

Tired of 24/7 nursing? Consider a career as a Public Health Nurse with a focus on pediatric health.

- Daytime hours Monday – Friday: NO weekends!
- Excellent benefit package: a comprehensive health plan and IMRF pension!
- Paid time off: 14 paid holidays per year, vacation, personal days, and sick time!

The Rock Island County Health Department has a full-time position available as a Family Case Manager in our high-risk infant program.

Summary of Job Duties:

Under general supervision, following accepted nursing practices and the policies and protocols of the Rock Island County Health Department:

- Provides case management with integrated WIC services to eligible clients with regard to local, state, and federal procedures
- Responsible for completing an appropriate number of face-to-face or home visits and preparing a care plan based on the assessment of the whole family
- Follows the appropriate policies and procedures for the following programs: Health Works, APORS, and/or High Risk Infant Follow-up, if assigned
- Maintains accurate records, clinical charts, reports and proper documentation
- May provide screening for developmental deficits, mental and nutritional health
- Provides education related to reproductive life planning and anticipatory guidance
- Facilitates effective working relationships with a variety of community and governmental agencies including professional, individual and associations
- Communicates effectively with a variety of client personalities and cultures
- Maintains client and department confidentiality
- Meets and maintains OSHA standards

Starting rate is \$16.84 per hour.
