

February 2018

The Environmental Health Section of the Rock Island County Health Department is pleased to announce the recipients of the **20th Annual Food Service Establishment Food Safety Awards** for facilities in Rock Island County outside of the cities of Rock Island, Moline, and East Moline. Based upon inspection reports for 2017, the following facilities have demonstrated the highest levels of sanitation among our food service establishments. A Certificate of Recognition will be presented to each of these facilities in acknowledgement of their efforts to maintain high public health standards.
