- A man in his 30s who is isolating at home
- A woman in her 70s who is isolating at home
- A woman in her 40s who is isolating at home

No additional information regarding these cases is available due to federal privacy laws.

This virus is still circulating in the community, do not relax these precautions:

- Stay home as much as possible and especially when ill
- Keep at least 6 feet between you and anyone else
- Wash your hands frequently with soap and water for at least 20 seconds or use hand sanitizer
- Cover coughs and sneezes with a tissue or into your elbow
- Wear a face covering when you must go out for essential supplies
