We all must continue to do our part to prevent further spread of COVID-19 by:

- Staying home as much as possible
• Keeping at least 6 feet between you and anyone else
• Washing your hands frequently with soap and water for at least 20 seconds each time and using hand sanitizer when washing your hands is not possible
• Covering coughs and sneezes with a tissue or into your elbow
• Wearing a face covering when you must go out for essential supplies
• Staying home when you are ill
