Rock Island County Health Department reports 3 deaths, 32 new cases of COVID-19

The Rock Island County Health Department reports three additional deaths from COVID-19: a woman in her 80s and a man in his 70s, both of whom had been hospitalized, and a man in his 60s who died in a long-term care facility. The total number of deaths in Rock Island County from this virus is now 93.

“We are saddened to report three COVID-19 deaths today,” said Nita Ludwig, administrator of the Rock Island County Health Department. “We offer our deepest condolences to their families and friends.”

In addition, the health department reports 32 new COVID-19 cases, bringing the total number to 3,521. Currently, 20 patients are hospitalized in Rock Island County.

The new cases are:

- 1 man in his 80s
- 1 man in his 70s
- 2 men in their 60s
- 2 men in their 50s
- 1 man in his 40s
- 2 men in their 30s

No additional information regarding these cases is available due to federal privacy laws.

We all must continue to do our part to prevent further spread of COVID-19 by:

- Washing your hands frequently
- Watching your distance: keep at least 6 feet between you and anyone else
- Wearing a face covering when you must go out
