

FOR IMMEDIATE RELEASE

September 28, 2021

Temporary Parking for Rock Island County Health Department

The health department parking lot will be closed on Thursday and Friday this week; September 30th and October 1st. However, we will be open for services including the Friday Pfizer vaccination clinic.

Clients coming for services on these two dates will need to park on the street and walk up to the building. If you need assistance in getting to the building, you can call us at 309-794-7080 when you arrive.

We apologize for any inconvenience.
