We all must continue to work to prevent further spread of COVID-19 by:

- Getting vaccinated as soon as you can. Visit [vaccines.gov](https://www.vaccines.gov) to find your shot. RICHD offers walk-in vaccines on Tuesdays (Moderna and Johnson & Johnson) and Fridays (Pfizer). The hours for both days are 9 a.m. to noon and 1-4 p.m.
- Staying home when you are sick.
- Wearing a face covering. A mandate from Illinois Gov. JB Pritzker requires that everyone 2 and older wear a mask in public indoor spaces, regardless of vaccination status. The CDC recommends that everyone age 2 and older wear a mask in counties of high or substantial transmission, which includes almost every county in the country.
- Keeping 6 feet of physical distance from others in public if you have not been fully vaccinated
- Washing your hands frequently.
